---

It's that special time of the year where the roaring of band saws and the buzzing of belt sanders reminds us that we need to make the fastest and best looking Pinewood Derby cars in Arizona.

Don't miss out on this once a year opportunity to design, build and race cars. The satisfaction you and your boys will get from turning a block of wood into a racecar is something you can't get anywhere else.

**Fun for Dads, Moms, brothers, sisters—the whole family!  
Don't miss it!**

Stop by the Ranger office to buy your Pinewood derby kit, ask questions & get advice. We will have tools available each Wednesday night.

**3/6** Sectional Pinewood Derby Race. All cars can race!  
Right here at Phoenix First.

**3/20** District Pinewood Derby Race. All cars can race!  
Casa Grande Assembly
